Mr. Angelos Tsigkopoulos, Publisher and Managing Director of The Decision Maker, stated: *"As a PEST (Political, Economic, Social/Cultural, Technological) analysis tool whose content is used for its demanding audience's decision analysis process, The Decision Maker is very strict with its partnerships; since we do not deviate from our profile, the decision to support this event in the digital economy field of ICT-based network of economic activities and transactions, was natural as it is fully compatible with our nature. We always aim to keep our decision makers audience up-to-date and present them with views of their peers, which will potentially help them with their investment strategies; an ICT-based network with market cap of more than \$1 trillion could not go unnoticed. We are therefore delighted to support a distinct event which highlights the crypto market importance in the economy of the future, the digital economy."*
